## Christ Lutheran School

### October 19, 2018

*Growing Disciples*  
*2 Peter 3:18*

The end of our first quarter of the 2018-2019 school year is sneaking up on us (October 26). Fall is here and before we know it the holiday season will have crept up on us.

Parent/Teacher conferences are scheduled for Wednesday, November 7 and Thursday, November 8. This week in your Special Delivery Envelope is a conference schedule request for your family. Please complete this form and return it to the school office as soon as possible. All forms must be returned by Monday morning, October 29. Conference schedules for each of your children will be emailed and included in Special Delivery Envelopes by Friday, November 2.

As a reminder, Christ Lutheran School uses an online grading system called Gradelink. Parents with children enrolled in 4th – 8th grades can regularly access information about their students' assignments and grades at [www.gradelink.com](http://www.gradelink.com). If you have misplaced or forgotten your login and password, please contact Mrs. Buskirk ([sbuskirk@lutherschool.org](mailto:sbuskirk@lutherschool.org)) in the school office. This is a great tool to help keep you informed. There should be no surprises regarding student progress at report card and conference time. As teachers finalize grades and conclude subject areas your access to Gradelink will be temporarily suspended. Gradelink access will again be made available following the second week of the new quarter.
